

International Journal of Research and development in Engineering and Technology

Author's Copyright Form

Date: _____

The undersigned author(s) transfer all the copyright ownership of the manuscript entitled

We give the content rights to the corresponding author to make necessary changes as per the request of the journal, do the rest of the correspondence on our behalf and he/she will act as the guarantor for the manuscript on our behalf. We hereby transfer(s) and assign(s) all copyright ownership, including any and all rights incidental thereto, exclusively to the '**International Journal of Research and development in Engineering and Technology**' (IJRDET) in the event that such work is published by the Journal. The Journal shall own the work, including

1. Copyright;
2. The right to republish the work in future, in a collection of articles, books, or to take the images / tables/ figures in any other mechanical or electronic format with or without any fee;
3. The right to produce/reproduce preprints or reprints and translate into any languages other than English for sale or free distribution in any country.

All the materials inside the article is our original work including all images, figures, tables, photographs of patients and we all authors are solely responsible for each and every content of article and not journal. We accept that, if any content in the full article is found from previously published material, we authors only would be fully responsible and not the Journal. We further agree that we will send this original form to Journal and the Scan or Xerox copy of this copyright will also be considered equivalent to original for any legal purpose. All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. Where applicable, we have obtained informed consent from all human subjects/patients included in study and obtained ethical approval from localised/institutional ethical committee, and this committee is functional according to guidelines provided by government of country where the research has been conducted.

If I/we do not include an Acknowledgment that means I/we have not received substantial contributions from non-contributors and no contributor has been omitted. The undersigned authors warrant that, the article is original; not under consideration by any other publication and its tables, figures or any other content have not been previously published. The author confirms that the final article has been read and each author's contribution has been approved by appropriate author. Authors accept that they are solely responsible for each and every content of article and not the Journal.
